1. Does the documentation supplied support that costs were incurred within the grant period?
   ☒ Yes  ☐ No – Explain:

2. STAFF TIME (check the option for the documentation reviewed) or ☐ N/A
   ☐ Option 1: Payroll Report for 100% of staff time charged to the grant (internal accounting system Integrated Financial System, QuickBooks, etc.),
   Payroll Summary or documentation of base rates,
   Summary of Billing Rates used to charge staff time, if not in eLINK report, AND
   One page example of time and effort documentation, by grant and activity
   ☒ Option 2: Time Tracking System for 100% of staff time charged to the grant, by grant and activity,
   for all years of the grant
   Payroll Summary or documentation of base rates, AND
   Summary of Billing Rates used to charge staff time, if not in eLINK report

2a. Able to account for 100% of staff time charged to the grant?
   ☐ Yes  ☒ No – Explain:
   Removed 13.25 hours that occurred prior to grant execution.

2b. Is the sample time and effort documentation in accordance with BWSR guidance?
   ☐ Yes  ☒ No – Explain:
   Staff tracked time to various programs, not all staff members whos time was charged to the Capacity grant tracked the time to "Capacity" some staff time charged to the grant was tracked under "Conservation Delivery". Going forward staff members need to track their time by Grant and Activity Category for BWSR purposes.

2c. Do the wages or billing/hourly rates seem reasonable?
☑ Yes    ☐ No – Explain:

3. DIRECT (PROGRAM) COSTS (check the option for the documentation reviewed) or ☐ N/A
☐ Option 1: Internal accounting system report by grant (IFS, QuickBooks, etc.),
10% of invoices/receipts (of total amount spent), AND
If landowner (cost-share) projects funded by grant, 10% of vouchers (of total amount spent)

☐ Option 2: Program/project log by grant,
Internal accounting system report (IFS, QuickBooks, etc.) with grant costs identified,
10% of invoices/receipts (of total amount spent), AND
If landowner (cost-share) projects funded by grant, 10% of vouchers (of total amount spent)

☒ Option 3: 100% of invoices, receipts and/or vouchers

3a. Do the invoices/receipts/vouchers sampled support costs that are allowable/reasonable and include descriptions such as vendor name, date work performed and/or list materials, labor or equipment used?
☐ Yes    ☐ No – Explain:
One charge for $25.45 was supported by a credit card receipt, not a detailed receipt.

As stated in the Records, Program and Project Files chapter of the Grants Administration Manual, "To document the costs of contractor’s, other direct costs and administrative costs, receipts need to be kept. Receipts must be itemized so the reasonableness of the expense, as compared with the amount paid for similar government work in other programs, can be evaluated." Going forward expenses that are not supported by detailed receipts will not be eligible expenses on BWSR grants.

4. OUTCOME

4a. Do the total costs charged against the grant, as supported by the documentation supplied, reconcile with the total spent on the eLINK signed Financial Report?
☑ Yes    ☐ No – Explain:

4b. Training opportunities identified:
Modify the time tracking system in order to track time by grant and activity category.
Review the allocation method used to allocate benefits, leave and overhead costs to BWSR grants and consider alternatives that meet the needs of the district as well as satisfy the consistently applied and rationally allocated BWSR requirements.

4c. Noncompliance: (refer to Grant Noncompliance chapter in GAM)
